What If?

Consider six of the most common travel emergencies.

Sickness, Injury and Death

You get sick or injured and can't make the trip or have to go home early.

DELAYED

Travel Delays

Adverse weather, mechanical problems, or a workers' strike grounds your plane.

Lost Luggage

Your bags are delayed for over 24 hours, or worse—they're lost or damaged

Inaccessible Rental

Weather closes roads and makes the rental inaccessible.

Natural Disasters

A storm evacuates the rental property.

Trouble at Home

A family member gets sick, injured, or dies, cancelling your trip or cutting it short.

Why Generali Medical Coverage?

No Out-of-Pocket Medical Expense

If you develop an acute illness while traveling that requires treatment by a physician, we can schedule a medical visit with an in-network physician, when available, and guarantee payment up to \$1,000 to the physician for the medical visit. This service does not apply to Dental Covered Expenses.

Telemedicine Service

Instantly connect with a network of physicians for information, advice, and treatment, including prescription medication, when appropriate. Telemedicine services are available during your domestic or international trip. Limitations may exist on the availability of prescription medication outside of the U.S.

Free Look

We are committed to providing the best possible service. That's why, if you need to cancel your plan, you may do so and receive a full refund of your plan cost as long as you cancel your plan within the free look period and have not filed a claim or departed on your trip. Free look periods are 30 days in length for residents of Indiana and either 10 or 15 days in length for residents of all other states. Please refer to your policy terms and conditions for the length of the free look period within your state of residence.
